EnableNSW prescriber education

Accessing self-care and mobility equipment

- Date:** Thursday 14 June 2018
- Time:** 9:45am to 4pm. A light lunch will be provided.
- Location:** Coffs Harbour Base Hospital
Simulation Education Centre
345 Pacific Hwy
Coffs Harbour 2450
- Registration:** Email HSNSW-EAPVisits@health.nsw.gov.au
Please include any dietary requirements in your email.

This session will provide an overview and hands-on experience of the self-care and mobility equipment available through the EnableNSW Equipment Centre and from NSW Government Contracts.

The session will also include information about how EnableNSW interfaces with the National Disability Insurance Scheme.

Participants will learn:

- Clinical criteria and current processes for providing equipment to eligible people through the EnableNSW Equipment Centre and NSW Government contract.
- Considerations when prescribing standard off-the-shelf, self-care and mobility equipment.
- Different specifications and features of stock and contract equipment including manual wheelchairs, beds and mattresses, pressure cushions, bathing and toileting equipment, and transfer aids.
- How to make simple adjustments to the equipment.
- Maintenance and care of the equipment - educating clients and their family / carers.

The primary focus for the day is hands-on experience with the equipment available, however teleconference / video-conference facilities may be available for those unable to attend in person.
