NSW Government Contract HSSP_HC17_955 Enteral Nutrition & Support Services

The following information is provided as a guide for EnableNSW prescribers when requesting items from *NSW Government Contract 955 Enteral Nutrition & Support Services*.

Please note, as a statewide health contract, National Disability Insurance Agency (NDIA) assessors are also able to request contract items for agency managed National Disability Insurance Scheme (NDIS) participants.

What do I need to know?

- A Quick Reference Guide (QRG) for this contract is available from our website at www.enable.health.nsw.gov.au/prescribers/contracts
- We strongly encourage prescribers to try to find a suitable product from the contract. Significant savings from contracted items allow us to help more people, faster within the available budget.
- Please provide the name of the product and the manufacturer code for all requests.
- The items on this contract which are provided by EnableNSW include:
 - Giving sets
 - HEN containers
 - Extension tubes
 - Gastrostomy tubes
 - NasoGastric tubes
 - Syringes
- Requests should be completed addressing the relevant funding criteria - forms can be found on our website at www.enable.health.nsw.gov.au/prescribers/forms.

Transition plan (commencing 3 September 2018)

New requests or amendment to existing requests (AERFs)	EnableNSW will contact you to select alternative products if a non-contract product is requested on any new or amended Equipment Request Forms received.
Re-orders for existing consumers	EnableNSW will arrange a one off 3 month order if the existing product is no longer available on the new contract. At the time of reorder the person will be informed to contact their prescriber to find an alternative products for future requests.

What if the available contract item does not meet the person's clinical needs?

EnableNSW is required to utilise contract items unless there is no suitable item to meet a person's clinical need. If requesting a non-contract item, please document the reasons why a contract item does not meet the person's needs, and the outcome of any trials.
